PLAYer 10:30am – 12:00pm

Students attend one regular class per week
Week of 7/8/2019 – 8/26/2019

More than a game.

Our mission is to encourage positive values and healthy choices in the next generation of Western New Yorkers through the experience of golf. Our programming is delivered by trained coaches and teachers and is creatively connected to everyday life. Our goal is to provide our students with the proper skills for both life and golf.

At The First Tee of Western New York we include youth from all over the region. Some of our students have played golf for years. Some have never held a club before they set foot on one of our partner courses.

Focusing on diversity not only ensures we offer opportunities to some young people who might not otherwise have them, it also enables us to instill this ideal in Western New York's next generation.

Teaching life lessons and leadership skills through the game of golf

In Partnership with the

Monroe County
Program Guide
Summer 2019

Life Skills Experience

The First Tee uses golf to teach youth life lessons and leadership skills. Sessions include a fun, group setting for youth ages 7 to 18 regardless of background or previous experience.

Good Golfers. Better People.

At The First Tee of Western New York, we take aim at including youth from all over the region. Some of our students have played golf for years. Some have never held a club before they set foot on one of our partner courses. But focusing on diversity not only ensures we offer opportunities to some young people who might not otherwise have them, it also enables us to instill this ideal in Western New York's next generation.

What about golf equipment?

We provide access to clubs and balls.

My child has never picked up a golf club before.

Our coaches are trained in positive youth development. That means they are experts in making young people feel comfortable and assure they have a positive, non-intimidating experience.

How Much does it Cost?

The is \$85 per participant.

The First Tee NINE CORE VALUES

Young people building character—really?

Each lesson is designed to foster golf skills as well as help youth understand and ultimately develop The First Tee Nine Core Values.

How do young people progress?

Participants move through levels over time (PLAYer, Par, Birdie, Eagle, Ace) that introduce new and more advanced concepts of golf and life skills that help build character on and off the course.

Financial concerns?

No worries—chapters offer full scholarships or reduced fee programming for those with financial need.

How Do I Register?

All Registration is done online. Just go to our website at:

www.thefirstteewny.org
